### **PRESIDENT'S MESSAGE:**

Another successful Cricketers' Club of New South Wales season has come and gone. I must admit these summers seem to be coming and going far more quickly than they used to. Perhaps this reflects how busy life has become for some of us!

My thanks to all members of the Management Committee for ensuring the smooth operations of our cricket club once again. In particular thanks go to Adrian Hawkes for his tireless efforts as Secretary and Garry Winney in his capacity as Treasurer. Their work behind the scenes ensure we have a full calendar of matches and a financial base to pay ground fees, buy new equipment and upgrade our facilities.

I had the pleasure of playing for the C&S, Masters and Classics teams this season. The quality of cricket was good in all competitions and I congratulate Steve Taylor (C&S), Mick McCormick (Masters) and Ajoy Roy (Classics) on their captaincy and leadership efforts for the club. A special mention must be made of the C&S side winning back to back Jack Pace Shield competitions. While the toss of a coin decided early rounds the semi-final win over the strong and much younger Knox Old Boys team was one of the club's finest wins in many seasons.

Our club continued its fine tradition of overseas tours with trips to Italy in September 2010 and the Caribbean in April 2011. Details of these tours can be found below. Suffice to say here that all tourists thoroughly enjoyed the on field and off field activities!

Indeed all the statistics for season 2010-2011 are detailed below and I encourage you to read them and see the results of your endeavours. Enjoy the winter break and I look forward to seeing you all again for the new season in October.

Thanks and regards,

**Greg Brooks President**

## OVERVIEW

*Including tours and the Caloundra winter festival, since the end of the 2009-2010 season, the Club has played 66 games compared with 76 games last season. Not including the winter cricket in Caloundra nor the overseas Italy Tour in September 2010, and the West Indies tour in April 2011. 115 players played for the Club this season, compared with 109 last season. Of these 79 were financial members and 36 were guests or non-financial members. Camperdown was used for our home games both on Saturdays and Sundays, and 40 home fixtures were arranged during the season compared with 36 last season. Overall 47 games were played in the season compared with 58 last season. Only 18 Members played ten or more games compared with 32 last season. Reflecting the generally wet summer, 19 games were cancelled, compared with 12 last season. We again repeated the tripartite at Caloundra in June 2010 but this time losing both games v the Q.C.C. and the XXIXers and also losing a third game v the CMBCF XI.*

*In respect of the golf section, 4 annual fixtures were arranged but only one was played: - in August 2010 for the Stuart Mathlin Memorial Trophy at Riverside Oak. Macquarie Links in December 2010 was cancelled for lack of support, and The Coast in February 2011 and Blackheath in May 2011 were both rained off. We are repeating our traditional end-of-season lunch this time at the Balmain Rowers Club at the end of May. There are also monthly Monday lunches for those that can attend.*

### **City and Suburban: - Played: 15 Won: 14 (2 by toss of coin/1 by forfeit) Lost: 2 Drawn: 2 Cancelled: 5 (2 by rain)**

*24 players turned out for the C&S side this season compared to 21 players last season. This was made up of a core of 15 players who played 5 or more games, compared to 14 last season.*

In another great season of cricket for us within the C&S association, we were able to retain the **Jack Pace Trophy**. Whilst we had some luck in the early rounds, our semi final and final performance were worthy of a back to back champion side! In total we only had 24 players turn out for us this season, which really shows the type of camaraderie we have built up within our side as everyone is keen to play as much as possible.

Before going into any of the season's highlights, I want to personally thank a few people who make my job as skipper a lot easier:

**Greg Brooks**, without doubt the most passionate club man I have come across in my 35 years of cricket. Even though his injuries limited him to two games, he was still there every Friday night putting the covers down and also at every match making sure everything went off without a problem.

**Bronnie Brooks**, without doubt the best supplier of afternoon teas in NSW Cricket, my hat goes off to her for the effort she put in. Hosting teams became a highlight due to her efforts and her sidekick Tania Johnson.

**Ed Smith**, he was always with Brooksy in putting the covers down. These two combined probably ensured that we played 50% more games than most clubs early in the season. Ed's scoring whilst we are batting is a real piece of work and certainly provides many talking points over a beer at the Camperdown Bowling Club.

We had a very strong batting line up this year, so we were able to rotate the top order to give as many guys an opportunity as possible. Tommy Robertson stood out with 472 runs at 52. Other highlights were: Craig Johnson 283 @ 42; Darren Kay 262 @ 37; Ian Allmey 238 @ 34 and Ruuan Jonker 220 @32

Two centuries were scored, Darren Kay 106 and Ruuan Jonker 103\*.

In the bowling department, we had the addition of Craig Schofield this season, who shared the new ball with Ed Smith; they formed a great new ball attack which always managed to get us early wickets. Ed was the standout with 26 wickets @15, off 118 overs. Craig had 14 wickets @13 off 65 overs. Our leg spinning all-rounder Scott Wells took on more responsibility this year and came up

with 16 wickets @17 off 45 overs. Craig Johnson took 10 wickets at 16, Dave Byrnes 9 wickets and Derek Taylor also 9 wickets. Craig Johnson took half of his wickets with a 5 for 11 in one game!

We also picked up Curtis Murray, who brought along some great wicket keeping skills and lowered our average age somewhat!

Whilst winning the Jack Pace trophy was no doubt a season highlight, the fact that we continue to keep a core of players together and also bring two or three new players in each year to ensure our continued success is a great achievement. We all enjoy our cricket together and we enjoy hosting all opposition sides at Camperdown. Our groundsman, John Lee goes the extra yard for us and produces great cricket wickets.

Thanks to all of my team mates for all the support over this my 13<sup>th</sup> season in C&S; it was very enjoyable, even though my personal results weren't good! It's a great way to spend a Saturday afternoon after a long week at work with a great bunch of blokes. I look forward to seeing you all next season!

P.S. Ruaan Jonker also took out the season's fishing award with a 45cm Dusky Flathead!

**Steve Taylor Captain C&S side**

### **Masters: -Played: 8 Won: 2 (One by forfeit). Lost: 7 Drawn: 4 Cancelled (rain): 5**

*28 people played for the Masters in 8 games this season compared with 25 in 10 games last season and a core of 12 players played 5 or more games compared with 11 last season. We came 13<sup>th</sup> out of 18 teams, winning 2 games (one by a forfeit) and losing 7, compared to 8<sup>th</sup> out of 21 teams last season when we won 6 and lost 3.*

The Masters season in 2010 -11 was somewhat disappointing in the end results and the number of wins. El Lena, Deena and Sheena also played their part in disrupting any consistency with inclement weather emerging on most Friday nights.

We drew last year's runners up Doyalson in the first game which perfectly highlighted our pre season lack of practice and preparedness. We consequently went down like the NSW State of Origin team. We then got two washouts in a row which perpetuated our lack of practice and preparedness even further. Nevertheless the Macquarie game turned out to be one of the highlights of the season, though unfortunately it led to the season ending injury to our swashbuckling opener Paul Allen popping his bicep and shifting tectonic plates which no doubt contributed to the Japanese Tsunami in a valiant diving effort behind the stumps.

The health and safety officer at C.C.N.S.W. has proposed a no diving rule for over 40s which has a lot of merit when one considers the number of injuries that have occurred. More importantly however are the ever increasing incidents of embarrassment occurring with diving and the associated fruitlessness of these efforts. As such any rule curbing diving may have an even more valuable psychological benefit.

The last ball four by Craig Somers to win the game against Macquarie was a great moment. Macquarie only lost this one game all season to place them second behind a rejuvenated Mosman in the final wash-up. Jim Robson's contribution with the bat in this game was a great effort. The captain acknowledges the need for more circumspection with unseen players from the Ajoy Roy cricket academy and their position in the batting order.

Our batting with the notable exception of Craig Somers generally let us down for the remainder of the season. There were sporadic highlights but consistency was not one of them. The bowling however had excellent contributions from Graham Buck, Richie Xuereb, Jim Robson, Jim Hadley, Dale Richards and Jay Patel. We actually always were able to get wickets and in most games we had the opposition 7-8 wickets down when they passed our insufficient score.

Our fielding for an increasingly arthritic, degenerative burdened, sight depreciating, moderation denying, glory day chasing, bunch of has-beens, was actually quite encouraging.

There were a couple of "Masters Magic Moments" with catches during the season. Scotty Wells right handed grab at square leg being a standout, Glen Rosewall's one hander behind the stumps, the captains rib bruising hug against Collaroy, Gary James's caught and bowled effort against Lane Cove that left a 4 week bruise were some that are remembered.

The I Zingari (Australia) game early January turned out to be a bizarre game with an I Z umpire being replaced by the captain of Zingari who must have considered himself a better umpire. At least he looked more officious in his "banana in pajamas" coat that he wore on a 38 degree day. Controversy was the order of the day and we went down 3 LBWs to nil.

The game against Mosman was competitive but again insufficient runs did not give the bowlers enough to bowl at. A memorable innings from Jim Hadley with a flurry of sixes gave us a chance.

I won't even mention the Old Ignatians game where we lost on a wet track..... and we batted second! The capitulation is too painful.

Insufficient runs again against Lane Cove white with dubiousness being a highlight in some of the umpiring decisions on both sides.

Finally after all the practice and preparation, team talks, psychological assessment, diet controlled pre game programs ( 2 beers instead of 6) we were ready to let it all reveal itself in our last game on a picture perfect day at Camperdown oval against Kenthurst. We were however stymied when they couldn't turn up with a team. How the mighty have fallen.....former undefeated champions in the Masters comp now can't even get a half dozen to partake. England, West Indies, Manly and now Kenthurst.... what team will find itself in the recycle bin in 2012?

Thanks to those that assisted in making the games we did play smooth and enjoyable. Greg Currie as always with his indefatigable help at every game he was involved in. The Saturday side for putting the covers out incessantly, Adrian for putting the emails out incessantly and all who did their bit, from treasury duties, to tea making, to report writing and field placements. Thank you for your efforts and hope you do an inordinate amount more next season.

Michael McCormick Masters Captain

### **Classics: - Played: 8. Won: 6. Lost: 2. Drawn: 2. Cancelled 3. (rain 1)**

*30 people played for the Classics in 8 games this season compared with 25 in 9 games last season. A core of 11 players played 5 or more game, the same as last season. We came 3<sup>rd</sup> out of 10 teams compared with bottom place last season, winning 6 games and losing 2 games compared last season with winning one and losing 8.*

We started the season on the wrong foot losing our first two matches, but then made a turn around by winning all our subsequent matches that were played. Two were cancelled by rain. Had we been able to replay our two rained-off games, we would have had a chance of winning the league. The full sequence of match results is shown in the Appendix at the end of this report. The full match reports, averages and league table can be found on the Club's web site.

Of the thirty people who played, six were new to the Club this season. We were also assisted from time to time by some of the now aging Masters players who have reached 50. These new Classics players played a key role in instilling an additional bit of enthusiasm and positive attitude within the team which played a vital role getting better results this year. We also had valuable contributions consistently from our regular stalwarts like Keith Elloy, Garry Winney, Joff Johnson (most runs and best average), Ken Grose (most wickets with 9), Ian Neil, Paul Georgiadis, and Jay Patel. Ian Hills and Adrian Hawkes made some valuable contributions as well even with the limited opportunities that were presented to them.

Thirteen different players feature in the player points awarded to us by opposition teams. A full table can be found on the Classics page of the Club web site. The points were evenly distributed headed by Joff Johnson with 9. This gives a tangible picture of the C.C.N.S.W. Classics team members who contributed substantially to the team's cause in terms of performances in each and every match. Some may have a view that many players in our team did not contribute other than simply making up the numbers. However, what this table cannot indicate is the fact that if we did not have players like our new recruit, 63 year old occasional keeper, David Allan and some others like Mike Birchall and Ian Hills who regularly made themselves available, the players featured in the Points Table may not have had the opportunity to have a game in the first place.

So as far as I am concerned, as skipper of the team, I acknowledge the immense contribution of the members who regularly made themselves available and bailed us out consistently right through the season. The pre-match and post-match roles played quietly by Adrian Hawkes and Greg Currie involve substantial amount of time and effort and often go unnoticed. On behalf of our team, I gratefully acknowledge, applaud and appreciate their tireless and consistent efforts. On a personal note, I remain grateful to Paul Georgiadis for driving me around to every match that I played or attended for yet another year. A special note of appreciation and my thanks to my vice captain, Ken Grose as well as to Keith Elloy who took over the reigns of captaincy during my absence while I was away watching the ICC World Cup in India in February – March.

The C.C.N.S.W. Classics team is now a much happier team as was evident during the many matches we played together and the post-match Chinese dinner after our last match [our first T/20 match] of the season after having demolished the Sri Lanka Lions with an emphatic win by ten wickets and ending the season on a strong note! This is exciting news especially when one considers that we may well be playing the Classics competition next year with the forty overs format being divided into two innings of twenty overs each - something I had suggested to the Competition organisers before the start of the 2009 cricket season.

If we can secure regular participation from all the C.C.N.S.W. over 50s players and manage to score our runs slightly more quickly and consistently score 200 to 225 runs in our quota of 40 overs then we can realistically aim for the Premiership next year.

**Ajoy Roy Classics Captain**

**Other social games (excluding Caloundra and the Italy and West Indies Tours)**  
**Played: 16. Won: 5. Lost: 8. Drawn: 1. Tied 2. Cancelled: 6 (Rain)**

*84 people played for the Club in 16 social games (not including the Italy and West Indies tours) this season compared with 88 last season in 20 games. A core of 8 played 5 social games or more, compared with 13 such persons last year. A large number of members only played one or two social games.*

The Club actually played more social Sunday and midweek games this season than even Saturday C&S games. The worrying factor was how many players only played one game (50 players) and how few played 5 or more. This being said we always managed to turn a team out. While the average age was increasing, culminating in a largely over 60s side in the last game of the season, v Craigmoor Portwiners (sans port!) at Mudgee, we generally had a side of sufficient standard to be competitive and a number of very close games including two ties. The only games where we were totally outclassed were against a young rejuvenated Lords Taverners XI and an Australian Old Collegians side comprised largely of young Grade players.

The one glaring exception where availability was poor was Lindfield in Cricket week for the John MacDonald shield where so few Club members played that we borrowed liberally from the opposition and our side was perhaps more accurately described as "Wanderers".

The season started with a comfortable win v the Primary Club and then another v a new opponent The Opera House XI, courtesy of Graham Buck. Molonglo then made a rare visit to Sydney where we won with a strong XI. An emphatic loss v AOC was followed by a draw because of rain v Old Oxleyans. We next lost a close game v the CMBCF XI to end the pre-Christmas fixtures. After the Lindfield debacle, we then had an exciting tie v Warwickshire over 50s who were defending an unbeaten touring record. We again participated in the 10 over a side day at the SCG before going to Melbourne over the Australia Day weekend. Beaten comfortably by Croydon, we then had a slightly controversial tie v the XXIX Club by judicious post match adjustments to the scorebook. The hospitality as usual was outstanding. Once again privileged to play at Bradman Oval we lost a high scoring game in the last over. Next we played 2 touring English sides for an easy win v Incogniti celebrating their 150<sup>th</sup> year and a much close win v the XL Club celebrating 75 years. We were also due twice to play a proposed touring United Arab Emirates side but visa problems eventually resulted in their tour twice being cancelled.

Then followed our most important game of the season v the QCC at the SCG where we lost a game seemingly won as the QCC fought back with a tail end stand from an almost impossible situation. After being thrashed by Lords Taverners, we ended the season with a close loss at Mudgee. Our final game v I Zingari (Australia) at Camden was rained off.

Generally, we did not suffer unduly from bad weather although rain caused the cancellation of the games v the Army (twice) and the Sydney Cricket Club. Our game v Hong Kong (Australia) also had to be cancelled when the Local Cricket Association requisitioned their pre-booked ground for a cup competition! Efforts to re-arrange all three games proved unavailing.

Our most consistent player was probably Ian Neil who consistently made himself available and played 10 games followed closely by Graham Buck who played 9 times. There were few outstanding performances although Matt Gale's 82\* v AOC and Brent McNee's hard hitting 65\* v the Bradman Foundation XI stood out as did Paul Moorhouse's five wickets v the Primary Club- 3 in one over. Jim Hadley's five wickets v Warwickshire o50s and Alan Doherty's five wickets v the XXIX Club both contributed to exciting ties. Generally the cricket was highly enjoyable but next season we badly need some more regularly available younger players who enjoy this type of cricket and wish to play for us throughout the season so our sides remain competitive.

One welcome change was the increasing use of the Welcome Hotel for post match dinners when entertaining visiting sides: - good food at good prices and highly enjoyable evenings. Long may it continue.

**Adrian Hawkes Secretary**

## **OVERSEAS TOURS**

### **Italy Tour September 2010: Played: 7. Won: 2. Lost: 5**

37 of Australia's finest went to the land of pizza and Peroni in September 2010 for a three week tour with seven great games in the Italian Country side. From playing the renowned Milan Cricket Club in the industrial landscape of the old Telecom complex to the international ground at Pianoro (Bologna) and to the Romans in the middle of a racecourse whilst the horses galloping around us, the team had a great time.

Our Italian hosts were grateful for our presence and extremely hospitable. New comers such as Rob Bevilacqua blended with "old salts" such as Graeme Anderson to make the tour a success. Our form was varied and often the competition was quite a lot younger than us, with a large number of players from the sub-continent, or flown in from the English leagues to ensure our demise. (To which we replied by bringing John McGruther out of retirement!)

To be able to enjoy the contrasts of Lake Como, Venice, Bologna, Rome and the inland was a great experience. We had 10 games set up but with two forfeits and one re-scheduled we played 7 games.

**Ken Yardy- Tour Manager**

## West Indies Tour April 2011: Played: 9. Won: 3. Lost: 5. Drawn (rain): 1

The C.C.N.S.W. Caribbean tour from April 2<sup>nd</sup> to 23<sup>rd</sup> was an outstanding success. The tour started in Barbados, continued on to Grenada and finished in Trinidad and Tobago. The club played 9 matches winning three, losing five with one match washed out after 8 overs. While the results were overall a little disappointing several matches were very close and better batting would have reversed the ledger. The team took a while to get used to the conditions. Invariably the wickets were completely devoid of grass, rock hard and very flat while the outfielders were sometimes similar! The Barbados grounds were particularly hard and dry and this no doubt contributed to the high scores and batsman friendly conditions we experienced there. Once in, one needed to go on and make a big score and we failed to do that consistently. The bowlers toiled away in often trying conditions and regularly got us back in to winning positions backed up by some really great efforts in the field. The effort put in by all players could not be faulted; indeed this approach led to a tour ending injury for Harry Dalton, our young prospect from Northern District grade club in only the second game. However rather than go home Harry stayed for the entire tour and contributed where he could which epitomized the spirit of the group. Aply led on the field by Steve Taylor and by just about every one else off it, I am very proud of the team, the ladies and the children for their efforts to continue building on C.C.N.S.W.'s fine overseas touring reputation.

**Greg Brooks Tour Manager**
