### **OVERVIEW**

*Since the end of the 2013-2014 season, the Club has played in total 49 games: No further overseas tours have taken place save for a long weekend in Wellington New Zealand over Australia Day but a North America tour is planned for July-August this year.*

*In the Australian season, 47 domestic games were played compared with 36 domestic games last season. 116 players played for the Club this season, compared with 86 last season. Of these, only 59 were financial members compared with 62 last season and 57 were guests or non-financial members compared with 24 last season. Camperdown was used for our home games from November when council completed its ground improvements 22 members played ten or more games compared with 11 last season. Reflecting the generally dry summer, only 3 games were cancelled because of rain compared with 13 last season.*

*In respect of the golf section, only one annual fixture was arranged: - in August 2014 for the Stuart Mathlin Memorial Trophy at Riverside Oak which was won by Ed Smith.*

*We are repeating our traditional end-of-season lunch again at the Balmain Rowers Club at the end of May. There are also monthly Monday lunches for those that can attend.*

## **PRESIDENT's MESSAGE**

Another season has come and gone and as my favourite TV series warns "*Winter is coming*". If you don't know what I am referring to please ask me!

The Club continues to offer our members quality cricket matches every weekend over the summer season. Still it surprises me how many players play one or two games, seem to enjoy themselves, but not join the Club as a member. To all our captains, vice captains and regular players, we need your continued support to encourage the new players to become members. For the Club to survive and prosper we need new members and their friends to join us.

The City & Suburban side has seen some fantastic new players arrive this season and I really hope they become the core of this team in the seasons ahead. The trophy we chase in this league, the Jack Pace Shield, eluded us this year and I am sure the new players will drive further success as we seek to win it again. The Masters and Classics sides have also seen new players blooded and the results from those two teams have been outstanding. Congratulations to all three sides for their results in what are now absolutely first rate competitions.

Camperdown Oval is now back to its best after the new drainage and resurfacing works were completed in November. With the addition of new sightscreens and the always excellent centre wickets, who would not want to play for a club with this magnificent home ground?

The details from the C&S, Masters, Classics and Social games are outlined below for your perusal. Once again thank you to all players and administrators who contributed to the season for CCNSW. To our wives, girlfriends, partners and children thank you for your understanding as we continue to play and love this game of cricket.

Please enjoy the winter (whatever it brings!) and I hope you return next season for another summer of club cricket at its best.

**Greg Brooks President**

**City and Suburban: -Played: 14; Won: 10 (1 by forfeit); Lost: 5; Drawn: 0 (rain); Cancelled: 4 (2 because of rain).**

*33 players turned out for the C&S side this season compared with 27 last season but only 19 of these were Club members and 14 were guests . This was made up of a core of 13 players who played 5 or more games, compared with 4 such players last season. We won 10 games (one by forfeit) and lost 5 compared to last season when we won 12 and lost 2. We lost in the quarter finals of the Jack Pace Trophy Only 2 games were cancelled by rain the same as last season.*

This year was a transition year for the Club with a number long standing quality senior players unavailable, however we also uncovered a number of talented new cricketers that have emerged and will hopefully form a big part of the nucleus of a traditionally strong C.C.N.S.W. team for years to come. One player in particular Regan Smith who in his first game for the club against Yaralla showed his qualities with a magnificent hundred and went on not only score the most runs for the C.C.N.S.W. side, but also the most games for both the C&S team and in the social matches for the club which is an amazing achievement for his first year.

We look forward to an exciting season ahead and continuing the proud tradition that C.C.N.S.W. has built in a competition that continues to grow in its standard of quality cricketers.

**Ian Allmey C&S Captain**

**Masters: Played: 10; Won: 6; Lost: 2 ; Drawn: 2 (rain); Cancelled: 1 (rain).**

*23 people played for the Masters in 10 games this season compared with 27 in 7 games last season. A core of 10 players played 5 or more games the same as last season. We came fourth out of 20 teams, winning 6 games and losing 2, compared to seventeenth out of 20 teams last season when we won 2 and lost 5. Only 1 game was cancelled by rain compared with 4 last season although two were drawn because of rain.*

The seasons aim was to move back into the top half of the draw and this was achieved with a credible fourth place in the overall competition. This result was largely achieved through some very good bowling and occasionally excellent fielding that defied the creeping of the years. Our batting line-up however showed more cracks than a Nepalese temple and failed to perform to its ability in almost all games with the numbers of retirees on 40 only being 6 (3 in 1 game versus Lindfield) when we were looking for two a game (total 18). We will need to improve this stat next season with the much tougher draw in the top half of the comp. A shock loss at Wyong may have prevented us contesting the number 2 spot on the table at the end of the season via the peccadilloes of the split competition.

The medical profession did well out of the C.C.N.S.W. Masters season with a disproportionate number of injuries and ailments restricting the availability of players. The broken finger brigade affected three top order batsmen, an unusual number of occurrences in the one season even though Scotty Wells seems to have a mandatory break or two most seasons. Captain Garry James was sidelined for a number of games to get an old hernia repaired and Terry Pontikos' season unfortunately ended with a back injury when he was in the best form of his career.

The early games were dominated by the bowlers and particularly the form of Terry Pontikos who saved the batsmen's average performance to orchestrate victories from seeming defeat on a number of occasions. Terry was the leading wicket taker in the whole competition until the fast bowlers' curse of the dicky disc struck him before Christmas and he was forced to miss the rest of the season. A very large blow to the side. Nevertheless the other bowlers stepped up to the task and performed admirably. Jim Hadley's accuracy and frugality opening the bowling with his medium leggies set the platform for the other bowlers to snap up easier wickets as batsman had scoreboard pressure forcing riskier shots. Graham Buck had a good season and was lead wicket taker with 17 wickets. Garry James (15 wickets), Mick McCormick (14 wickets) and Terry Pontikos 11 wickets) joined Graham in the top dozen bowlers in the comp which was indicative of the contributions of all bowlers. Mick Weaver also picked up some handy scalps in his spells. Jonathon Seifman bowled some great overs and we are hoping to see more of him next season. Andrew Dunn was moving the ball nicely at the end of the season and we are looking for a big season from him next year.

On the fielding side we really benefited from the athleticism of Josh Donohoe, Mick Pinter, Scotty Wells and Dave Benson. When they are all on the park, plenty of runs are saved and catches taken that otherwise would not find a hand. Special mention to Scotty Wells and his two catch effort on the boundary at Camperdown where he covered an inordinate amount of ground around the fence at pace to make two fine grabs look easy.

Brett Favell was a clean pair of gloves and the paucity of byes was testament to his year as keeper. There was one unusual stumping with Brett standing up to Terry Pontikos as a ball down the leg side ricocheted like a bullet off his pads catching the bewildered batsman a bee's appendage out of his crease for a first ball duck.

Brett also took the batting award with 187 runs followed by Craig Somers on 182 with the other batsmen trailing a fairway behind. We did have some less than perfect batting tracks early but we will be looking for the top order to be more consistent next season. Some good partnerships occurred in rescue phase with Garry James and Jim Hadley bringing us home from the brink of defeat on one of the final games of the season.

Thanks to the players who helped in the organisation for the season: Graham Buck for the scoring inputs to the 'MyCricket' web site, Mick Weaver for his work as treasurer, and to Dave Benson as clothing officer. To all who helped with kitchen clean ups and unlocking doors and sightboards, it all helps.

**Mick McCormick Masters Vice-Captain**

**Classics: - Played: 11 ; Won: 8 ; Lost: 3 ; Drawn: 0 ; Cancelled: 0**

*23 people played for the Classics in 11 games this season compared with 30 in 9 games last season. A core of 11 players played 5 or more games compared with 10 last season. We came third out of 12 teams compared with seventh out of 12 teams last season, this season winning 8 games and losing 3 games compared to last season when we won 4 and lost 6. No game was cancelled by rain.*

The 2014-15 season was a vast improvement from the prior year (when we had finished 7<sup>th</sup>). We had new players John Mesar and Dr. Sittampalam Ragavan and more availability of Mick McCormick from the Masters team, three very competent all rounders. Also coming in was Peter Hall as wicket keeper who made a huge difference with his skills behind the stumps and his batting. We did however lose Jay Patel for most of the season to grade cricket and Paul Kumar and Keith Elloy to work commitments. This meant Garry Winney had to do more of the spin bowling than in previous years. We also had Frank Crowe back after injury and he ran into some good batting form late in the season. A late starter Christian O'Keefe gave us 100% effort each game.

Our batting was again very solid with our top five in the order Joff Johnson, Ajoy Roy, Peter Rolls, John Mesar and Mick McCormick all averaging over 25 (not bad as you retire at 30\*). Peter Rolls with 198 runs at 66.7 had a stand out season. He used his height and reach to advantage and once settled, dissected the bowling all around the ground. He accelerated the score after our usual good starts from Joff Johnson and Ajoy Roy and laid the platform for our others batsmen to continue the good work.

Peter Hall took over from our recent part time keepers (following Greg Currie's injury) and his class told. His effort of 7 dismissals in one game was one of the highlights of the season. Another season highlight was Paul Kumar's catch on the boundary to win us the match v Mosman who were 9 out with 4 to win, Garry Winney to bowl the last over. First ball a slower one, whack, we all thought it a six but it went higher than longer and Paul Kumar clutched the ball into his chest. I have never seen a Classics team run so fast to all embrace him in joy to give us a last over win.

The bowling was a vast improvement, with more attacking fields, better bowling, fielding and catching and we were rewarded by being the leading wicket-taking club, taking 98 wickets of a possible 110 bats. We had finished last in the wicket taking area (59) for the season previously. Our catching went up from 16 to 33 and we rarely grassed any chances. Last season Paul Georgiadis was the only bowler to take over 7 wickets for the season (13 wks). This year we had 6 bowlers take over 7 wickets: - Garry Winney 18, Dale Richards 17, Paul Georgiadis 16, Ajoy Roy and Mick McCormick 9, and John Mesar 8. In Dale Richard's first full season for us he bowled some unplayable deliveries, Paul Georgiadis as usual took his one or two wickets per game for less than 30 every game, while Garry Winney had a vast improvement of spin bowling ( only 4 wks last season). His five wickets for fifteen off 7 overs were the season's best bowling in any game - a feat he suspects he may not repeat! John Mesar repeatedly beat the bat and deserved more wickets, while both Ajoy Roy and Mick McCormick bowled tight lines and restricted the runs when the push for runs was on.

We finished third for the season, losing only to the top two teams Georges River and Sri Lanka Lions and one bad loss to Ku-ring-gai when the game was moved to a synthetic wicket. Against Georges River we were 2-100 but collapsed to 9-153. They were 1-109 but we fought back for them to pass us 8-154. Against Sri Lanka they were 5-54 but recovered to 9-184. We batted poorly against a good bowling team, out for 77.

It was an enjoyable season, we played good cricket and had some sociable drinks after the matches. All going well we should have a chance to again be in the top half dozen next season.

#### **Other games: Played: 14; Won: 7; Lost: 7; Drawn: 0; Cancelled: 2**

*88 people played for the Club in 14 social games this season compared with 50 last season in 6 games. No one played 5 social games or more, compared with 3 such persons last year. A large number only played one or two social games. Of the 88 players used, only 44 were paid up financial members.*

I commented last year that it had been perhaps the worst season for social games played that I could recall with only 6 games played and 9 cancelled and with the rain a serious blight. This year was a huge improvement.

We played 14 of the 16 games arranged (indeed 15 of 17 if you include the intra Club C&S v Masters) and lost no games to rain. Two teams cancelled unable to raise a side- Molonglo and for the second successive season, the Bradman Foundation; the latter was a particular disappointment as we had turned down a touring Indian side looking for a game that weekend.

We started well with good weather in September and an easy win v the Craigmoor Portwiners during the Mudgee Wine Festival and then in October beat the Primary Club by a very close margin; Tom Robertson starred with an undefeated century. There followed a good win v the SCG XI at Coogee before we lost heavily and perhaps unexpectedly to the Backstage XI with the game being moved at the last minute to an artificial wicket because of the rain with our original match manager refusing to play on such a surface. Paul Brandon on a blisteringly hot day then led a side almost entirely composed of guest players to an easy win v Old Oxleyans.

We lost to the Trundlers on their annual pilgrimage down from Queensland before an extraordinary game v Sydney Boys High where their last wicket added a whirlwind 51 in about 15 minutes to win the game for SBH by 1 wicket.

We then took advantage of a vacant fixture list over the Australia Day weekend to play two games in Wellington New Zealand in the most perfect weather; poor catching contributed significantly to two high scoring losses which saw three generations of Robertsons playing in the same team (Rodger, Tom, Edward and Ian).and two generations of Neils (Ian, Lachlan and Angus)

We then went to Melbourne where an extraordinary undefeated century by Billy Blair (next highest score 21 and only 3 players in double figures) was insufficient to gain us victory but at least we had a side of Club members, not guests. Courtesy of Ed Smith we then managed to get the superb Sydney University No 1 ground where we had a perhaps slightly unexpected win v the QCC followed by an excellent dinner afterwards.

There followed easy wins v the Victoria Barracks XI and the touring US Mad Dogs XI whom we will play again in New York in July but the season ended disappointingly with the cancellation by the Bradman Foundation and then a ten wicket loss to I Zingari (Australia) at Camden. We owe them a strong young side next season.

A surprisingly large number of players turned out in the social games with Tom Robertson and Regan Smith outstanding. The disappointment was the number who only played one game and the number of guest players who declined – or perhaps were not invited by the match manager- to take out membership. Indeed the number of guest players was equal to the number of members who played! A situation we must try to remedy next season.

Social games are important and add a different dimension and experience to playing for the Club; they enable club members of all ages and from all areas to mix outside their normal Saturday teams

and also provide a ready way of introducing potential new members to the Club some of whom have gone in previous seasons on to play more regularly for our C&S and Masters sides.
